The Breeze Mission:

To provide a comprehensive range of products, parts and information that enables builders and owners of Factory Five Racing Component Cars to streamline their assembly process while upgrading quality, appearance and performance.

What to order:

Please review this catalog to familiarize yourself with the Breeze product line. You can view color photos and additional detail for most items by visiting the "All Products" section of our web-site at www.breezeautomotive.com. Whether or not you know what you need for your project, give us a call or send an e-mail using the contact information below. We'll be happy to make recommendations based on your goals for your project. If Breeze doesn't currently offer the best solution for your needs, we'll gladly refer you to another source.

How to order:

Our web site allows you to securely order your parts online, 24 hours a day. Simply add the parts you want to your shopping cart, then go to your shopping cart and click Check Out when you are ready to place the order. At check out, you will be asked to sign in to your account or create an account, then enter or verify billing, shipping, and payment information.

Phone orders are also gladly accepted. Give us a call at 508 533-6455 to discuss your build.

Pricing:

We strive to offer fair pricing while maintaining outstanding quality, service, and value. For current prices on all Breeze products, please check our web catalog at www.breezeautomotive.com. Web catalog prices will apply at the time of your order.

Payment:

Breeze accepts Visa, MasterCard, Discover and personal checks and ships UPS ground and USPS daily. Credit cards are charged at time of shipment. If you choose to pay by personal check, we will include a self addressed stamped envelope with your order so sending a check for the exact amount is a Breeze! Payment by check is due upon receipt of shipment.

Business Hours:

We recognize that for most people, building a roadster is a leisure time pursuit. We're always open, so call whenever it is convenient for you! If you get the machine, please leave a message - we'll call you back!

Packaging:

Ever have the excitement of receiving an order turn into frustration when the package arrives with damaged or missing parts? This won't happen when you order from Breeze Automotive. We pack your order carefully and are proud to say that Breeze has not had an item returned due to shipping damage.

Shipping Charges:

Breeze will not hose you on shipping! Due to the wide variety of package sizes, weights and destinations and to be fair to all customers Breeze will never charge more than our actual per package shipping cost plus a flat fee of \$2.00 to cover shipping overhead (\$4.00 for international shipments).

Returns:

All returns must be made within 90 days of date of shipment. Product must be received back complete and in new condition (items scratched, damaged, or previously installed are not returnable). A restocking fee of 15% is applicable to all returns.
